Networking

Connections and Meetings are a core element of a successful event experience. We've made this as easy as possible distilling it down to just 4 simple steps to get a calendar full of meetings:

Request

Get recommendations, search and scroll through lists to request meetings for a time and date that works for you.

Accept

Receive incoming meeting requests via notifications or in your email and accept them to have them synced to your personal calendar.

Meet at the show

Attend to your pre-scheduled meetings and be on time.

Rate

Give anonymous feedback on your meeting with "Good", "Bad" or "Didn't Happen" and give a reason for your rating to qualify your post-event follow-ups.

PRO TIP

To get the best recommendations of people to meet and increase the chances that people accept your meetings one element is absolutely crucial: **complete your profile!**

Add a profile image, fill out your summary and select your preferences in the event-specific questions.
