automechanika

BIRMINGHAM

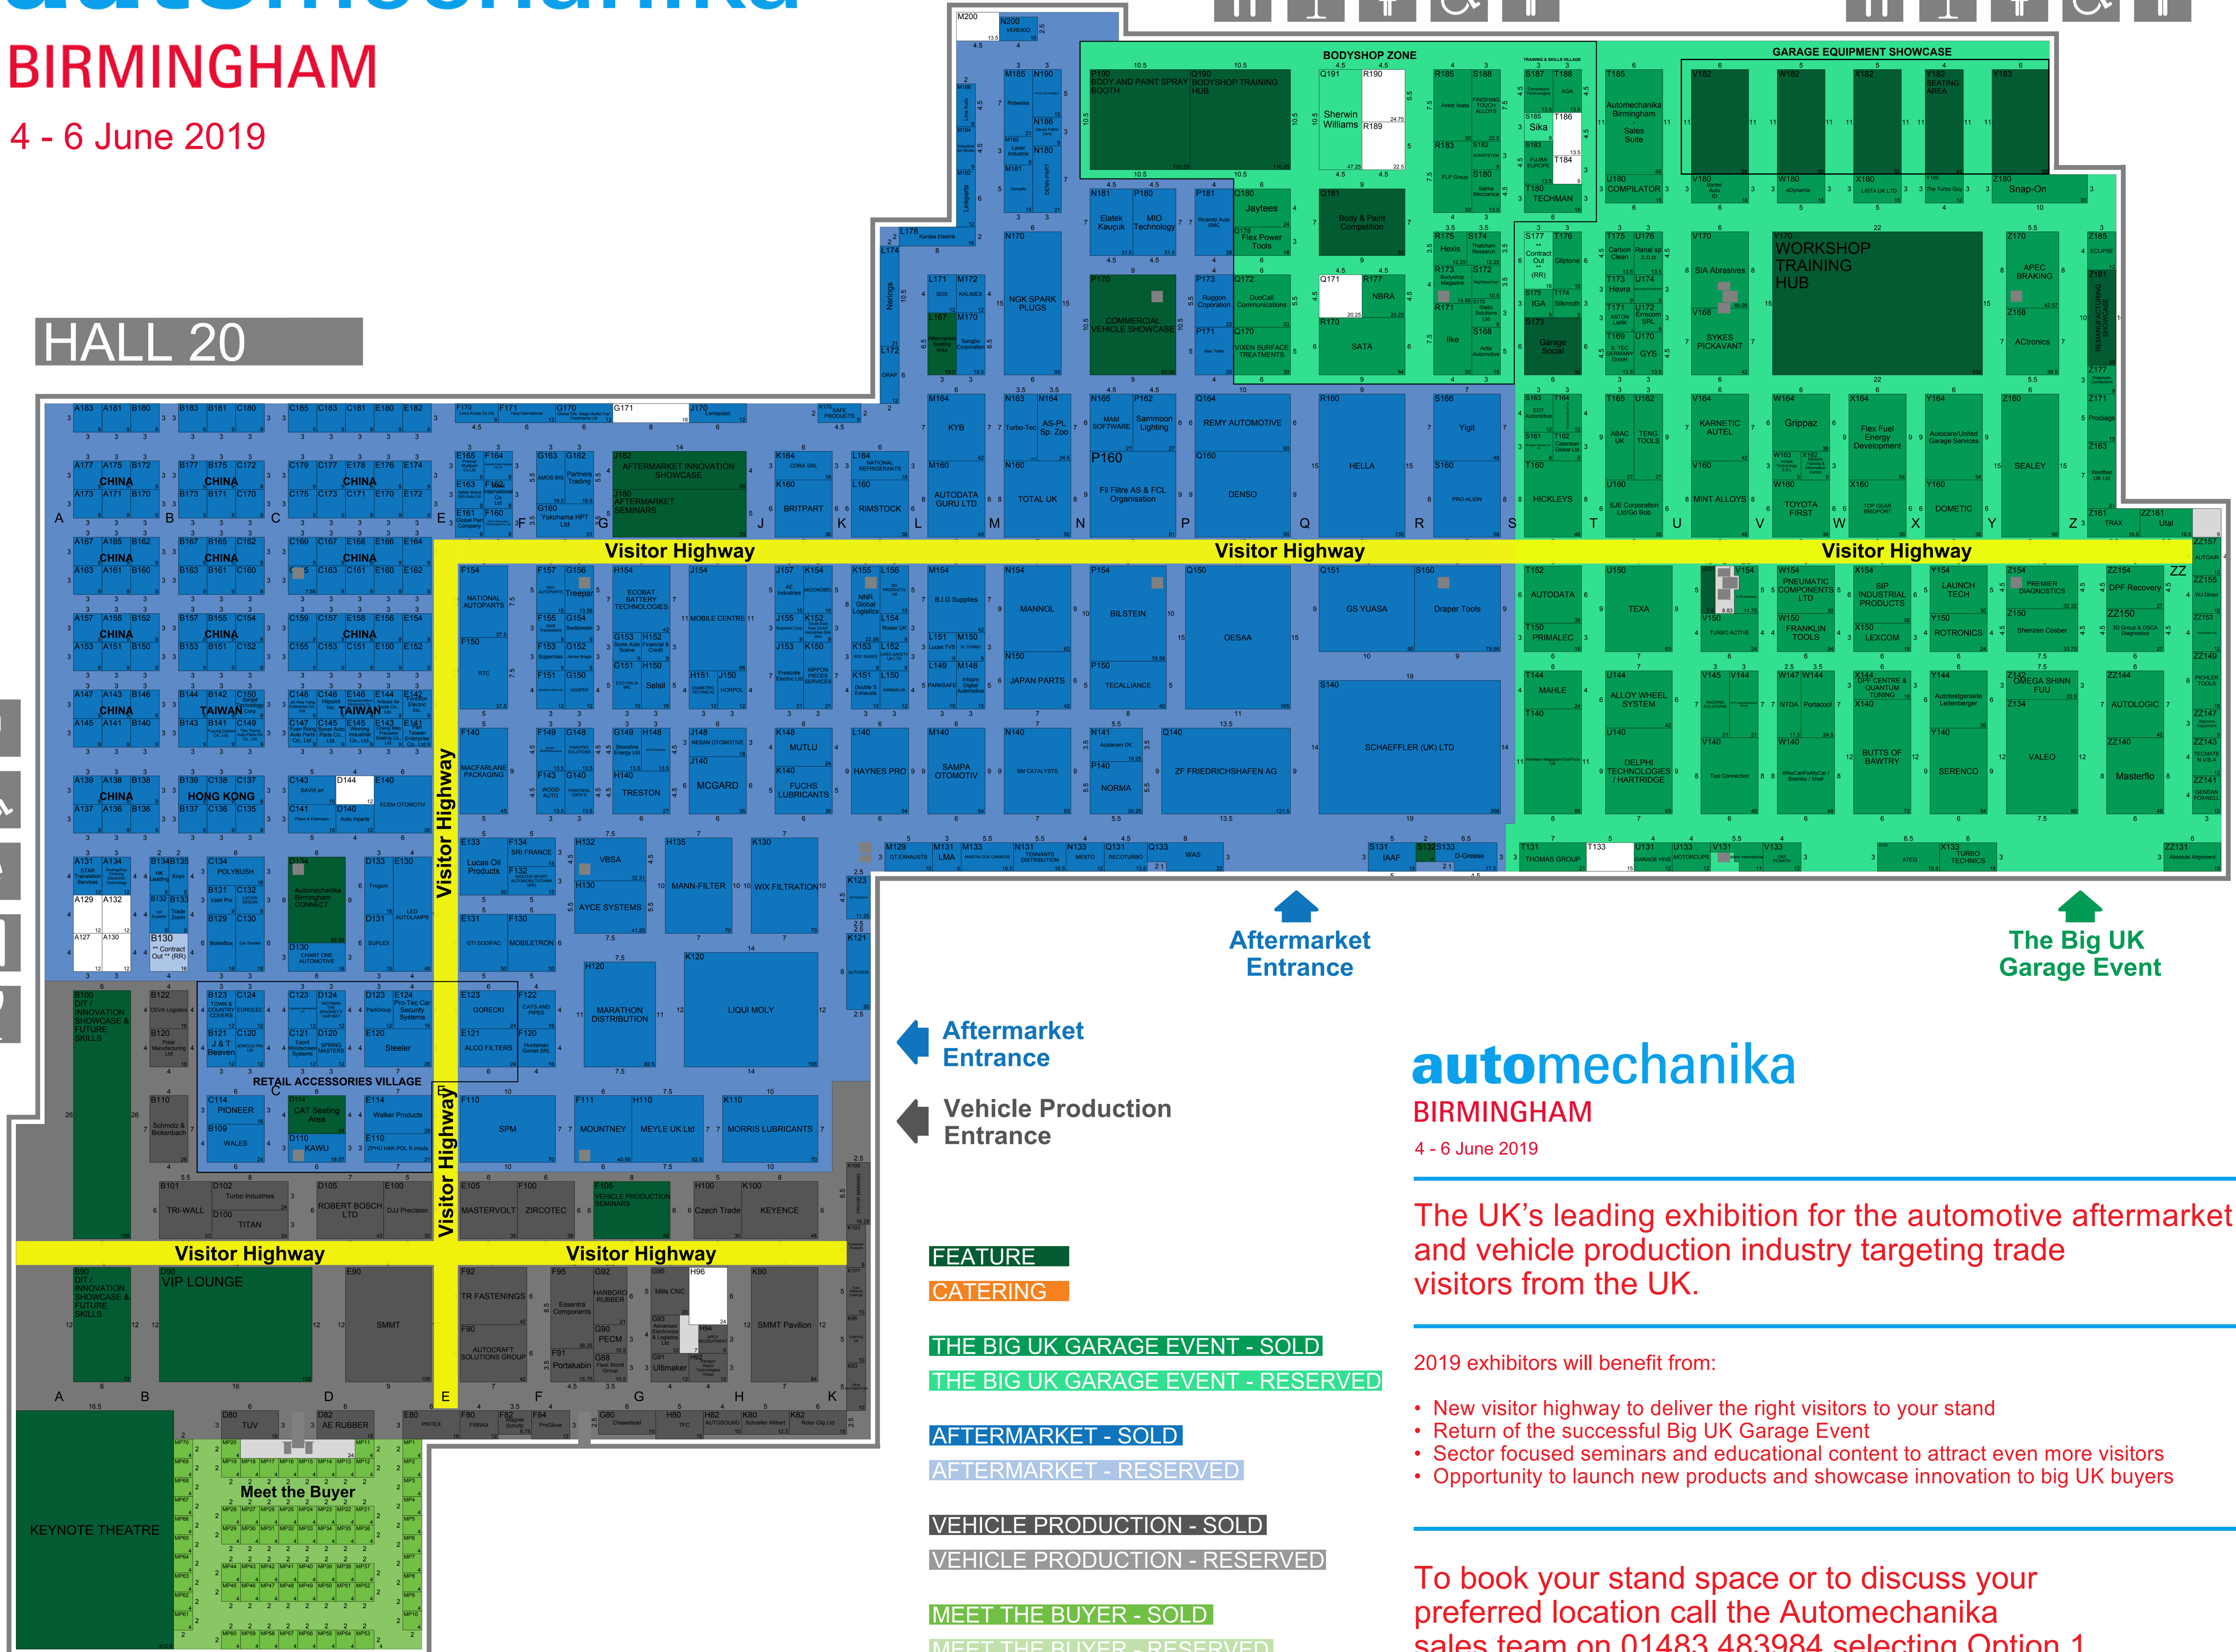

4 - 6 June 2019

The UK's leading exhibition for the automotive aftermarket and vehicle production industry targeting trade visitors from the UK.

2019 exhibitors will benefit from:

- New visitor highway to deliver the right visitors to your stand
- Return of the successful Big UK Garage Event
- Sector focused seminars and educational content to attract even more visitors
- Opportunity to launch new products and showcase innovation to big UK buyers
